SUBJECT: Networthiness Assessment for AF Qualification Training Packages and  
Readiness Training Packages (AFQTP/RTP) Version 2.0,  
CoN1-SCD01675-241003-00-0

1. Our assessment of the CoN Determination checklist and supporting documentation for AF Qualification Training Packages and Readiness Training Packages (AFQTP/RTP) version 2.0 CD-ROM application for loading on PC and LAN servers, indicates it does not adversely affect the Air Force Terrestrial, Air and Space Communications Network. Therefore, completion of a formal SPCA and NetRA are not required for this release.
2. The CoN number issued above signifies this IT capability has been subjected to an assessment sufficient in depth to support the stated determination. Any changes to the operational posture of this capability will require a networthiness assessment before such changes may be implemented.
3. This determination does not preclude the mandatory DoD requirement for development or maintenance of the System Security Authorization Agreement (SSAA) and the Command, Control, Communication, Computer, and Intelligence Support Plan (C4ISP).
4. My POC for AFQTP/RTP is Mr. James Grogan, HQ AFCA/WFSL, DSN 779-6987, commercial (618) 229-6987, e-mail: afca.wfsl@scott.af.mil.
